External Audit Policy

Appointment

The Audit, Risk and Compliance Committee (**Committee**) has the responsibility and authority (subject to *Corporations Act 2001* (Cth) requirements) for the appointment, reappointment or replacement and remuneration of the external auditor as well as evaluating its effectiveness and independence. The Committee will review the appointment of the external auditor annually based on its assessment of the auditor's performance.

Assessment of External Auditor

The Committee will review the performance of the external auditor on an annual basis after completion of the year-end audit. In evaluating the effectiveness of external audit, the Committee will assess the effectiveness of the external auditor based on a number of criteria including but not restricted to:

- the overall comprehensiveness of the external audit plan;
- the timeliness and quality of communications promised under the plan and delivered during the audit;
- the competency and industry knowledge of external audit staff; and
- the adequacy of resources to achieve the scope as outlined in the plan.

The Committee will seek feedback from management during the assessment process.

Independence

The Committee will review and assess the independence of the external auditor, including but not limited to any relationships with the Company or any other entity that may impair or appear to impair the external auditor's judgement or independence in respect of the Company. The review and assessment will be carried out annually at the time the external auditor presents its annual audit plan.

Prior to this review, the Committee will request a report from the external auditor which sets out all relationships that may affect its independence, including the provision of non-audit services, financial relationships, employment and other relationships and any other matters that may reasonably be thought to have bearing on the external auditor's independence.

The report should outline any safeguards that the external auditor has in place to reduce any threat to independence to an acceptable level.

Before the directors approve the half-year and full year accounts, the external auditor will be asked to provide a declaration testifying to its independence in respect of the financial period in question. The external auditor will have a continuing obligation to notify the Committee, via the Company Secretary, of any new information it believes may be material to reviewing its independence.

The Committee has responsibility to develop and oversee the implementation of the Company's policy on the engagement of the external auditor to supply non-audit services and to ensure compliance with that policy.

Rotation of External Audit Engagement Partner

The external audit engagement partner is generally required to rotate at least once every 5 years. If appropriate, the Board may extend the eligibility term of the audit engagement partner following a recommendation from the Committee in accordance with the *Corporations Act 2001* (Cth).
